## Provider Coding Education (CME/CEU)

### Webinars and on-demand trainings are now available!

All Healthy Blue provider coding education events can be accessed in one convenient location. Enjoy informative webinars designed specifically for network providers, coders, billers, and office staff. A variety of helpful and educational topics on coding documentation, claims and billing issues, member care, quality measures, and more are available. We continually add new topics to the training page, so be sure to check back often.

**Live events:** You will not want to miss these exciting opportunities! Register today using your preferred method below. **Please reserve your place at least 24 hours prior to the start of the event.** Each live training webinar event offers one continuing education unit (CEU) credit.

Upcoming live event topics include:

- 2022 coding updates.
- Social drivers of health.
- Complete and accurate coding.

**On-demand events:** A library of recorded webinars is available as a convenient way to stay updated on relevant information. We currently offer only continuing medical education (CME) units for on-demand events. Use the password **NCHealthyBlue** for registration and attendance. After registering, you will receive a confirmation email with details.
