

Clinical Utilization Management Criteria

Attached is a list of the Clinical Utilization Management (UM) Criteria Blue Cross NC has adopted for Healthy Blue.

The full list of Medical Policies and Clinical Utilization Management (UM) Guidelines are publicly available on the Healthy Blue [Medical Policy and Clinical UM Guideline](#) website. Their purpose is to help you provide quality care by reducing the inappropriate use of medical resources.

MCG Care Guidelines are used only for:

- Medical necessity review for medical inpatient review
- Inpatient site of service appropriateness
- Inpatient rehabilitation and skilled nursing facility review
- Outpatient-based service or procedure where there is not an established Medical Policy or Clinical UM Guideline

In addition, please visit the Healthy Blue provider manuals and guides section of our [website](#) to view the list of applicable North Carolina Clinical Coverage Policies.

Medicaid state contracts, regulatory guidance, CMS requirements, and our Medical Policy/Clinical UM Guidelines supersede MCG Care Guidelines.

Note: We make determinations of medical necessity on a case-by-case basis in accordance with the definition of medical necessity that is contained within the Medicaid state contract, regulatory guidance, CMS requirements, or in our Medical Necessity Criteria Policy ADMIN.0004.

If the request does not meet established criteria guidelines, it will be referred to a licensed physician or licensed psychologist reviewer with the appropriate clinical expertise to make a decision.

The Clinical Criteria below, indicated as *new* or *revised*, was adopted by the Medical Operations Committee for Healthy Blue members. Note, not all services and codes referenced within these criteria are reimbursed under Medicaid. Please refer to Medicaid guidelines for coverage and reimbursement information. If you are trying to access Clinical Criteria noted as revised, please refer to the [Historical Medical Policies and Clinical Utilization Management Guidelines](#) section of the website.

To view the criteria below, select the link in the Criteria Title column. For additional information regarding our **Medical Policies and Clinical UM Guidelines**, visit the [Medical Policy and Clinical UM Guideline](#) website.
