## Known Issues List

The table below provides information related to known issues impacting Healthy Blue providers. This information will be updated **weekly on Fridays**. Continue to follow the existing process by contacting Healthy Blue Provider Services at **844-594-5072** or your Healthy Blue Network Relations consultant if you have questions or concerns related to the issues listed here.

**Note:** All impacted claims submitted within timely filing limits on date of issue identification will be included in claims reprocessing and issue resolution. Providers will not have to file a reconsideration/appeal for submitted claims. Claims that have been appropriately rejected or denied will not change when the issue is resolved.
